Information Division Visits Fifth Judicial District

Members of the AOC's Information Division (Julie Cottrell, Rene Nelson, Patty Dube', and Kevin Iwersen) met with Fifth Judicial District court personnel in Twin Falls, Jerome and Cassia County on May 8th and 9th to gain a better understanding of these courts' information technology initiatives, challenges and needs. The team learned about the current scanning and imaging practices used by these courts and gathered information about the storage challenges of physical court records. The courts provided the team with in-depth tours of their facilities, enabling the team to meet court personnel and answer questions about the future case management system. Additionally, the team visited the new courthouse annex in Cassia County and discussed the partnership between the county and the AOC to provide technology services for this new facility. The AOC team expresses a sincere appreciation to the courts for their time and observations.

CORRECTED Notice of Recruitment for the Fourth Judicial District

The Magistrates Commission of the Fourth Judicial District is seeking applicants for three positions of Magistrate Judge for Ada County, Idaho. The three position assignments are designated as (2) full-time family law and (1) as half-time family law and half-time child protection. Applications are due by June 10, 2013.

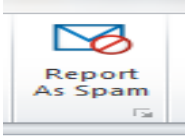
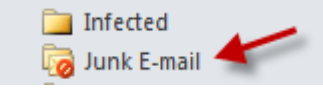
Technical Advisories from the IT Staff

Technical advisory! Microsoft has recently released Internet Explorer 10. **Please do not upgrade** to this browser yet, as you could potentially lose functionality to such products as Sharepoint, WestLaw Next, WestKM, and Spillman. These are applications that have been reported to us, and may not cover locally provided products. If you have already taken the plunge to IE 10, there is not a good removal tool, and it would be advised to use a different product such as Google Chrome or Mozilla Firefox.

Technical advisory — the end is upon us!! The end of Outlook Junk Mail that is….Now that everyone has the handy dandy Sophos 'Report As Spam' button on your Outlook tool bar we will no longer be using Outlook's Junk Email.



But before we all wave goodbye, take a minute and double check what's hanging out in your Junk E-mail folder and give everything a nice deleting.



And remember in the future if you receive SPAM, no matter how 'enticing' click that 'Report As Spam' button to report it, and remove it.

STAY IN CONTROL: MAKE YOUR HEALTHCARE WISHES KNOWN BEFORE A CRISIS

We plan for weddings, retirements, babies, school, vacations…so many important events. Unfortunately, few of us plan for end of life events or choices. Decisions are put off and desires are not expressed because it's a difficult subject. The result – many times medical treatment decisions are made for us by loved ones under great stress. In Idaho, you can make your wishes known now and have them honored in the future through **Advance Directives** (Living Will and Durable Power of Attorney for Health Care). You can prepare these documents that express your wishes and empower someone to speak for you in the event you are unable to communicate your medical treatment wishes. Advance Directive documents are important for everyone at any age.

Get the facts. Have the conversation. Register now for one of the **FREE seminars/ lunch** on **either June 13th, June 18th, or June 20th**. You will hear a brief presentation on "7 Simple Steps to an Advance Directive", receive forms, participate in a Q&A session with an attorney, and enjoy a **FREE lunch**! These **FREE seminars/ lunch** are sponsored by Idaho Quality of Life Coalition and will also be presented for State of Idaho employees in other major cities in 2013.

The June 13th, June 18th, and 20th seminars are from Noon to 1:00 p.m. and are open to State of Idaho Employees, family members, and retirees. To register for one of the seminars, go to the Classes webpage on **Health Matters**; choose your preferred date and click on **Register Now**. It might be the most important decision you make today.
