I.C.R. 2.2. Electronic Signatures

Idaho Criminal Rule 2.2. Electronic Signatures

An electronic signature may be used on any document that is required or permitted under these rules and that is transmitted electronically, including a search or arrest warrant, a written certification or declaration under penalty of perjury, or an affidavit. A notary's seal may be in electronic form.

(Adopted February 22, 2017, effective July 1, 2017.)
