QUESTIONS THE COURT MUST ASK AND FINDINGS THE COURT MUST MAKE

Reasonable efforts to finalize permanency

The court must make written, case-specific findings that the Department has made reasonable efforts to finalize the primary permanency goal for the child.⁴⁰

ICWA (See the ICWA Bench Card.)

1. The court must ask:⁴¹
 - a. Is there reason to believe that the child is an Indian child?
 - b. What efforts have been made since the last hearing to determine whether the child is an Indian child?

Permanency Hearing (NO AC) Bench Card

- c. What efforts have been made by the Department to work with all tribes of which the child may be a member and to verify whether the child is a member or eligible for membership?
2. The court must determine whether the Department is using active efforts to work with all tribes of which the child may be a member to verify whether the child is a member or eligible for membership.
3. If there is reason to believe the child is an Indian child, but the court does not have enough evidence to determine the child's status, the court must treat the child as an Indian child.⁴²

Placement

1. If a group of siblings was removed from the home but was not placed together, the court must ask about:
 - 1) the Department's efforts to place the siblings together, 2) the reasons the siblings were not placed together, and 3) about the Department's plan to ensure frequent visitation or ongoing contact among the siblings, unless visitation or contact would be contrary to the wellbeing of one or more siblings.⁴³
2. The hearing must include a review of the Department's consideration of options for in-state and out-of-state placement of the child. In the case of a child in an out-of-state placement, the court shall determine if the out-of-state placement continues to be in the best interest of the child.⁴⁴

Educational Stability

The court must ask about the Department's efforts to ensure educational stability for the child, including efforts made to keep the child in the same school or the reasons why staying in the same school is not in the child's best interest.⁴⁵

Psychotropic medication

If the child is placed in the Department's custody and the child is being treated with psychotropic medications, the Department must document and the court must inquire about the type of medication, the dosage and the medical professional who prescribed the medication. The court may make any additional relevant inquiry.⁴⁶

NEW! *Youth Age 12 and Older*

2. The permanency plan as approved by the court must be entered into the record as an order of the court.⁴⁹
3. The court may approve a plan with a primary permanency goal and a concurrent permanency goal.⁵⁰
4. If the permanency plan has a primary permanency goal of termination of parental rights and adoption, the Department must file a petition to terminate parental rights within 30 days of the approval of the plan.⁵¹
5. The court may authorize the Department to suspend further efforts at reunification, pending further order of the court, when the court approves a permanency plan that does not include a permanency goal of reunification.⁵²
6. Deadline for achieving reunification:

If the child has been in the temporary or legal custody of the Department for 15 of the last 22 months, the Department must file a petition to terminate parental rights prior to the last day of the 15th month, unless the court makes one of these findings.⁵³

 - a. The child is placed permanently with a relative.
 - b. There are compelling reasons why termination of parental rights is not in the child's best interest.
 - c. The Department has failed to provide reasonable efforts to reunify the child with the family.

Permanency Hearing (NO AC) Bench Card

If the deadline is approaching (or has passed), the court should enter orders as appropriate, which may include making the finding based on information already before the court, setting deadlines for further proceedings for the court to make the finding, or ordering the Department to file a petition to terminate parental rights, or a motion for relief from that responsibility.

7. Schedule the next hearing.

ADDITIONAL QUESTIONS
