Hello,

This is the first supplement to the July 2013 Green Mini Rules and Statutes Book. Here are the details:

1. Please make sure you have opened both the "Supplement Booklet" and "ICPC Label" files. Please print the files. Make sure that the "Supplement Booklet" file is printed on both sides of the paper. If you are unable to duplex print, the pages are lettered so they can be manually arranged in order.
2. Please turn to, and **remove** the pages numbered 139 – 142 in the green book.
3. Cut out and paste the label at the bottom of this page over the ICPC Regulation No. 7 Priority Placement NOTE found on page 138.
4. Fold the pages of Regulation 7 in half (the "Supplement" file), and slip them in between page 138 and the green section divider. You may wish to clip or staple them to the book.

If you have any questions, please let us know!

NOTE: ICPC Regulations adopted by the Association of Administrators of the Interstate Compact on the Placement of Children (AAICPC) and are available at <http://www.aphsa.org/content/AAICPC/en/ICPCRegulations.html>. The regulations have adopted pursuant to the authority conferred by the Compact and codified in Idaho at Idaho Code § 16-2103. Although there are a number of Regulations, only Regulation 7 is included here because it confers an important role on courts in securing priority placements.
