

I.R.C.P. 53.d.3. Statement of Accounts.

Idaho Rules of Civil Procedure Rule 53(d)(3). Statement of Accounts.

When matters of accounting are in issue before the master, the master may prescribe the form in which the accounts shall be submitted and in any proper case may require or receive in evidence a statement by a certified public accountant who is called as a witness. Upon objection of a party to any of the items thus submitted or upon a showing that the form of statement is insufficient, the master may require a different form of statement to be furnished, or the accounts or specific items thereof to be proved by oral examination of the accounting parties or upon written interrogatories or in such other manner as the master directs.
