*To laugh often and much; to win the respect of  
intelligent people and the affection of children;  
to earn the appreciation of honest critics and to  
endure the betrayal of false friends; to appreciate  
beauty; to find the best in others; to leave the world  
a bit better whether by a healthy child, a garden patch  
or a redeemed social condition; to know even one life  
has breathed easier because you have lived.*

*This is to have succeeded.*

*- Ralph Waldo Emerson*
