*To laugh often and much; to win the respect of
intelligent people and the affection of children;
to earn the appreciation of honest critics and to
endure the betrayal of false friends; to appreciate
beauty; to find the best in others; to leave the world
a bit better whether by a healthy child, a garden patch
or a redeemed social condition; to know even one life
has breathed easier because you have lived.*

This is to have succeeded.

- Ralph Waldo Emerson
