Re: Retirement – Justice Roger S. Burdick

Dear Chief Justice Bevan:

I write to formally provide you with notice of my decision to retire effective June 30, 2021.

I leave after having had the honor of working for 39 years with an amazing group of dedicated county clerks, judges, justices, and attorneys from whom I have learned and gathered strength to do the best work I possibly could.

I want to thank Idaho's legal community for their hard work and professionalism, the results of which I have seen in courtrooms throughout the state. Idaho can be proud of the members of the Idaho State Bar Association and their dedication to civility and zealous advocacy.

Finally, to the Justices with whom I have served, I say thank you. I have learned a treatise from each of you about law, hard work, and people. It has been a privilege to work for the Idaho Judicial Branch.

Sincerely,

A handwritten signature in cursive script that reads "Roger".

Roger S. Burdick
