Changes in SSDI

The 2013 Social Security (SSDI) tax rate will return to 6.2% beginning with the first payday in January, 2013. The Middle Class Tax Relief and Job Creation Act of 2012 temporarily lowered the employee's SSDI tax rate to 4.2%. This payroll tax reduction expires December 31, 2012. With this change, employees may notice a difference in their net pay. For example; an employee with SSDI taxable wages of \$1500.00 will see their SSDI tax increase from \$63.00 to \$93.00. Please also remember that 2013 tax rates apply to wages paid in 2013, not when the time was worked.

W-2 Information

Your State of Idaho 2012 W-2 will be available online beginning January 9, 2013. All current employees and those in terminated status after December 31, 2011 have the ability to view and print their W-2 on the web. [Click here](#) for instructions on how to access the online W-2 Form.

Paper forms will be mailed on January 24, 2013 to those who have not consented to view their W-2 online by the opening of business on January 22, 2013. Current and Terminated employees who have elected to access their Form W-2 online in the past will not receive a paper copy of their 2012 W-2 in the mail unless they choose to withdraw consent by January 21, 2013.

New for 2012 W-2s: The Affordable Care Act enacted on March 23, 2010 requires employers to report the cost of coverage under an employer-sponsored group health plan on an employee's Form W-2, Wage and Tax Statement, in Box 12, using Code DD. The amount reported does not affect tax liability, as the value of the employer excludible contribution to health coverage continues to be excludible from an employee's income, and it is not taxable. This reporting is for informational purposes only, to show employees the value of their health care benefits so they can be more informed consumers. The cost of coverage reported on Form W-2 has been calculated using the Cobra Applicable Premium Method and will not match the insurance premiums shown on employee pay stubs.

Note: There is a \$5.00 fee on each duplicate W-2 request. Duplicate W-2 requests will not be processed until February 1, 2013.
