Benefit Concert with The Standards Sept. 15, 16, 17, 2011 7:00 pm. Doors open at 6:00 pm.

This year due to loss of grant funding, we are doing a fund raiser to help make up the difference. We hope that this effort will help us be able to continue to provide our services to the youth, families and schools in our community. We have collaborated with KEZJ and their sister stations to make this fund raiser benefit not only us, but for their "Stuff the Bus" program as well. "Stuff the Bus" is an effort to gather school supplies to be distributed to your schools. Since our beginning, The Fifth Judicial District Status Offender Services has been instrumental in working with over 2651 youth and their families. Helping keep these youth in school and out of our judicial systems is not only best for them, but for all of our futures as well.

I believe there is a great story here because these are local boys who grew up and started out in Twin Falls. They now reside in Nashville Tennessee and are doing well there. They agreed to come back to do this Benefit Concert, because they wanted to do something to help out their home town. They have not performed in Idaho for almost five years now. All of their last concerts have been sold out and this will be one of the most amazing shows you have seen yet. You are welcome to give me a call with any questions at 736-4226.

Appreciatively,

The 3-night non-stop music event will benefit -The Fifth Judicial District SOS Program and Stuff the Bus. The Fifth Judicial District SOS Program was created to enable youth and their families to help themselves to regain control of their lives, improve their situations and avoid possible legal prosecution, while still being held accountable to victims, the community, themselves and reduce the number of youth returning to the legal system. Stuff the Bus is a fun yearly event designed to provide school supplies for families in need and our local schools. Bring school supplies to the concert and help fill an entire school bus with desperately needed supplies.

THE STANDARDS are a critically acclaimed vocal group of five brothers who are best known for their modern vocal style set to some of America's favorite songs. The show will also feature for the first time, new music from "Spencer's Own," the group's upcoming music project. Look forward to a fantastic evening of entertainment for the entire family.
