

County to Offer Special Event Parking at Courthouse Complex

Proceeds Will Benefit Family Advocacy Center & Education Services (FACES)

(Boise, ID) – Beginning this Saturday, September 24th, Ada County will offer event parking at the Civic Plaza complex just east of the Ada County Courthouse during Boise State home football games. There will be a \$5 fee charged per vehicle, and all proceeds will go to support the Family Advocacy Center & Education Services (FACES).

The Courthouse complex makes a prime location for football game parking given its proximity to the Boise State stadium and downtown area, as well as the large amount of available parking after business hours and on weekends. In addition, parking patrons can be assured their money is going to a worthy cause – to help families and victims of domestic violence through FACES.

Parking will be available at approximately 1:30 p.m. this Saturday and typically about 4 hours prior to the start of each home game this season. The entrance to the event parking garage will be from Avenue A, which crosses between Myrtle and Front Streets in front of the downtown Winco store. Patrons will follow Avenue A north (across Front Street), directly into the Civic Plaza parking garage entrance. Patrons should be aware that **NO alcoholic beverages or tailgating** will be allowed in the Courthouse complex. This parking service is managed by The Car Park in conjunction with Ada County Operations.

For questions, please contact The Car Park at 336-6597, or the Ada County Operations Department at (208) 287-7100.

FACES, located at 417 S. 6th Street in Boise, is an all-inclusive center where law enforcement officials, crisis service providers, and criminal justice workers provide services to victims of child abuse, domestic violence and sexual assault.
