Dear Ms. Tobias,

Recently, the Idaho Department of Juvenile Corrections has been made aware of a complaint filed in Federal Court by seven employees. At the time of this correspondence, we have not been served with the lawsuit and are waiting for the process to unfold.

As you know, our #1 priority is the safety of the juveniles we serve and the staff that work closely with them. This priority remains unchanged. We believe in what we are doing and will continue to provide effective service for juveniles and families.

I would like to personally invite any member of the judiciary to call me directly if they have any questions or concerns. As always, we are grateful for our partnership with the courts and look forward our continued relationship.

Sincerely,

Sharon Harrigfeld,
Director
