Regarding: Retirement

Dear Justice Burdick:

Please consider this communication as my retirement announcement. It has been an honor and privilege to serve the citizens of Idaho as a Magistrate Judge in Kootenai County. Without reservation, this experience has been the most interesting, rewarding and challenging of my career. I am ever so grateful for the immense collegiality of my fellow judges and the level of professionalism demonstrated by members of the bar.

It is simply time to enjoy the opportunities time and health offer. On September 1st, 2014 I will commence this unscripted new chapter in my life. May it be in Technicolor and not pastels. My thinking has shifted from contemplating experiences-to-have, rather than places-to-visit; and people-to-connect-with, rather than things-to-acquire. I admit this is rooted in the passing of years.

I look forward to assisting as a senior judge, as an integral part of my life ahead and am grateful to remain a part of the judiciary of Idaho.

Sincerely,

A handwritten signature in black ink, appearing to read "Penny E. Friedlander".
