

The Idaho Juvenile Offender System

What Is IJOS?

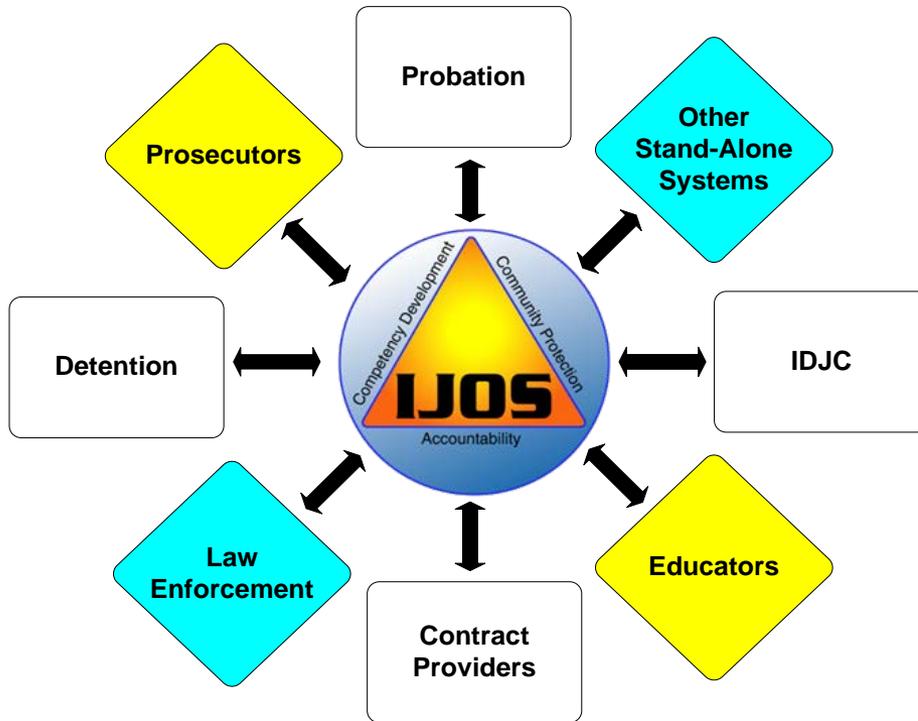

IJOS (Idaho Juvenile Offender System) is a statewide tracking system created by the Idaho Department of Juvenile Corrections, as required by legislative mandate in the Juvenile Corrections Act of 1995.

IJOS – The Ultimate Goal:

To reduce duplication and better track juvenile offenders in Idaho by allowing Juvenile Justice Staff (stakeholders) an application to access and share common information.

Meeting the Goal

To help meet this goal, IJOS gathers information from many sources, then shares appropriate information with other IJOS customers.

How Can IJOS Benefit Probation?

- * Juvenile Charges
- * Probation Information
- * Risk Assessments
- * Case Notes
- * Drug Test Information
- * Restitution
- * Probation Violations
- * Gang Information
- * Community Service
- * Treatment Programs

continued...

How Can IJOS Benefit Detention?

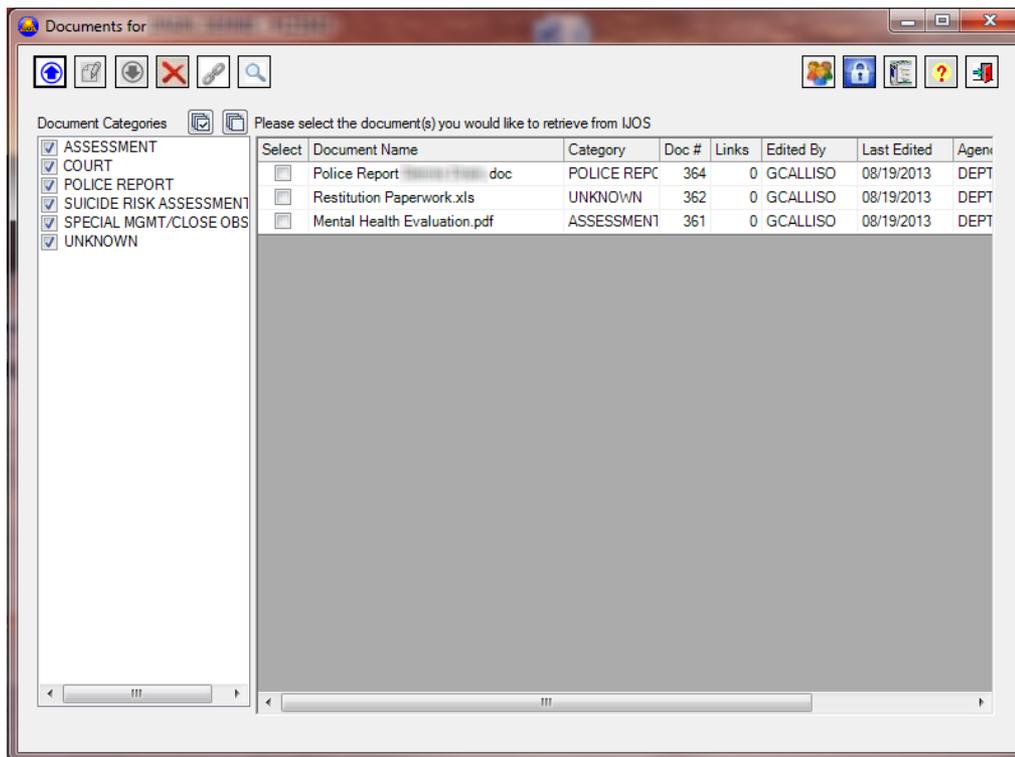

- * Detention Information
- * Gang Information
- * Community Service
- * Critical Incident Reports
- * Detention Reports
- * Logging of Daily Behavior
- * Track Visitation, Mail and Phone Contacts

Juvenile Photos

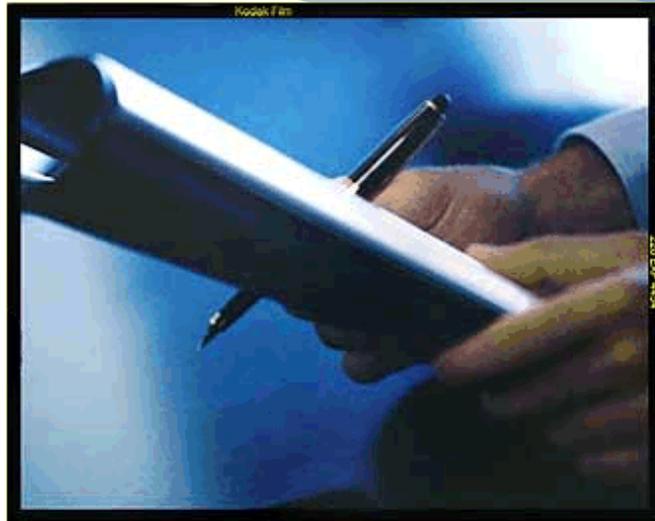

Add photos to IJS, email to stakeholders or move them to another location. Select the date, type, and location where the photo was taken and add any comments. Photos can be organized into four categories.

Document Management

- * Upload police reports, court orders, suicide assessments, etc. to IJOS
- * Link documents to specific IJOS records
- * Customize document categories for your agency

Reports

Reports can be created with your agency's needs in mind. Here are some examples of some reports currently available...
