Re: Retirement effective September 30, 2017

Dear Chief Justice Burdick:

I am writing to announce my retirement effective September 30, 2017. It has been a great honor and privilege to serve the citizens of Idaho as a magistrate judge for what will be over fifteen (15) years at the end of June. I look forward to service as a senior judge and am grateful for the opportunity to do so.

It has been a wonderful and challenging experience being a magistrate judge. I want to thank all of my fellow judges across the state, and a special thanks to the Administrative Office of the Courts, for assisting me in this rewarding work. More importantly, I want to express my sincere thanks and appreciation to all of the court clerks, court support services clerks, and administrative assistants who have guided and helped me along the way. They are the true unsung heroes in all of our courthouses who ensure the smooth operation of the judicial system.

Again, it has been a tremendous and rewarding experience to have served as a magistrate judge, and I look forward to service as a senior judge.

Respectfully,

Frank P. Kotyk
Magistrate Judge
