

## **SUMMARY STATEMENT**

*St. Alphonsus v. MRIA*, Docket No. 40012-2012

The Idaho Supreme Court affirmed the judgment of the district court. This is an appeal out of Ada County by Saint Alphonsus Regional Medical Center from a jury verdict awarding damages totaling \$52,084,513 against it for breach of contract and tortious conduct regarding MRI Associates, LLP, and its two limited partnerships that owned and operated magnetic resonance imaging scanners. The respondents also cross-appealed the \$4.6 million judgment obtained by Saint Alphonsus. We affirm the judgment of the district court.
