*April Beguesse, Inc. v. Kenneth Rammell* – Docket No. 40212

In a case arising out of Bonneville County, the Idaho Supreme Court affirms the judgment of the district court. Plaintiff April Beguesse, Inc. (ABI) and Defendants Kenneth Rammell (Rammell), Christa Beguesse, Inc. (CBI), and the estate of Christa Beguesse (Christa) went to trial on ABI's claims of fraud, breach of contract, and breach of warranty and CBI's counterclaim of breach of contract. The jury found in favor of ABI on all claims. The district court upheld the jury's verdict except as to the jury's finding of fraud by Christa. The district court also issued a remittitur for damages assessed against CBI only. ABI accepted the remittitur. Defendants appealed to this Court, challenging the district court's denial of Defendants' motion for a directed verdict and motion for a judgment notwithstanding the verdict. Defendants also raised one evidentiary error. This Court affirms the district court's judgment.
