

## **SUMMARY STATEMENT**

*Irina N. Shea v. Kevic Corporation, d/b/a Lett's Downtown Carwash* – Docket No. 40563

In a case arising out of Kootenai County, the Idaho Supreme Court held that the evidence showed that there were genuine issues of material fact in the negligence action brought by Shea against Kevic for a slip and fall injury at Lett's Downtown Car Wash. Therefore, the Court concluded that the district court erred in granting summary judgment to Kevic, and the Court vacated the judgment of dismissal and remanded the case for further proceedings. In addition, the Court affirmed the district court's rulings on Kevic's motions to strike the affidavits of Shea and her attorney.
