

SUMMARY STATEMENT

Frontier Development Group, LLC v. Caravella, Docket No. 40581

In this appeal from Teton County district court, the Idaho Supreme Court affirmed the district court's judgment dismissing the Caravellas' claim against Frontier Development Group and Michael Horn for fraud and misrepresentation. However, the Idaho Supreme Court reversed the district court's judgment dismissing the Caravellas' claim that Horn was the agent of an undisclosed principal and thus personally liable for the judgment against Frontier Development Group. The Supreme Court determined that no party was entitled to an award of attorney fees on appeal.
