

SUMMARY STATEMENT

Regan v. Owen, Docket No. 40848-2013

The Idaho Supreme Court vacated the judgment of the district court. This is an appeal out of Kootenai County from a partial judgment reforming the deed of subsequent purchasers of real property based upon a finding that their predecessors in interest made a mutual mistake in drafting the legal description of the deed to the grantee. We vacate the judgment of the district court and remand this case for further proceedings.
