

SUMMARY STATEMENT

Edgar v. Carr, Docket No. 40883

In this appeal from an Ada County district court sitting in its appellate capacity, the Idaho Supreme Court reversed the district court's decision to affirm the magistrate court's judgment of contempt finding Crystal Edgar guilty of two counts of indirect contempt. In doing so, the Idaho Supreme Court concluded that the magistrate court erred by finding Edgar guilty of contempt for reasons different from those alleged in the affidavit which initiated the contempt proceedings.
