

SUMMARY STATEMENT

Medical Recovery Services, LLC v. Bonneville Billing and Collections, Inc., Docket No. 40966

In this petition for review from the Idaho Court of Appeals, Medical Recovery Services argues that Bonneville Billing and Collections converted its property and was thereby unjustly enriched. The Idaho Supreme Court concluded that Bonneville Billing and Collections was not unjustly enriched by Medical Recovery Services and did not convert Medical Recovery Services' property. In doing so, the Idaho Supreme Court vacated the district court's memorandum decision in favor of Medical Recovery Services and reinstated the magistrate court's order in favor of Bonneville Billing and Collections. The Idaho Supreme Court also granted Bonneville Billing and Collections an award of attorney fees on appeal.
