

SUMMARY STATEMENT

Pend Oreille View Estates v. T.T. LLC, etal, Docket No. 42538-2014

The Idaho Supreme Court affirmed the judgment of the district court. This is an appeal out of Bonner County upholding money judgments against lot owners in phase two of a subdivision for assessments made for the cost of paving a road across phase one of the subdivision that provides access from the county road to phase two. We affirm the judgment of the district court.
