

SUMMARY STATEMENT

In the Matter of the Termination of Parental Rights of: John Doe (2014-26), Docket No. 42700

The Idaho Supreme Court vacated the judgment of the district court. This is an appeal out of Nez Perce County from a judgment terminating John Doe's parental rights in his two minor children. Because the judgment was based solely upon the jury verdict finding John Doe guilty of murdering the children's mother and his judgment of conviction, both of which were vacated on his appeal in the criminal case, we vacate the judgment terminating his parental rights and remand this case for further proceedings.
