

SUMMARY STATEMENT

Silver Creek Seed, LLC v. Sunrain Varieties, LLC, Docket No. 43078

Sunrain, LLC, appealed a judgment obtained by Silver Creek Seed, LLC, in Blaine County district court based on a contract dispute between the parties. The dispute arose when seed potatoes grown by Silver Creek for Sunrain tested positive for bacterial ring rot. The district court granted partial summary judgment in favor of Silver Creek and a jury awarded a monetary judgment to Silver Creek. On appeal, the Supreme Court affirmed the judgment.
