

SUMMARY STATEMENT

State v. Van Komen, Jr., Docket No. 43939-2016

The Idaho Supreme Court vacated the judgment of the district court. This is an appeal out of Kootenai County from an order relinquishing jurisdiction following a period of retained jurisdiction and requiring the defendant to serve a prison sentence because the defendant asserted his constitutional right to remain silent regarding an unrelated felony. We vacate the order of the district court and remand this case for further proceedings.
