

SUMMARY STATEMENT

Fisher v. Garrison, Docket No. 44117

The Idaho Supreme Court vacated the judgment of the district court. This is an appeal out of Ada County from a judgment dismissing the Plaintiff's action seeking to recover under an insurance policy for the loss of her house caused when a renter, who had an option to purchase the house, demolished it. The district court held that coverage for such loss was excluded under the policy. The Idaho Supreme Court vacates the judgment of the district court and remands this case for further proceedings that are consistent with this opinion.
