*State v. Bailey*, Docket No. 44445-2016

The Idaho Supreme Court affirmed the judgment of the district court. This is an appeal out of Kootenai County from the sentence of life in the custody of the Idaho Board of Correction for the crime of committing lewd conduct upon the Defendant's ten-year-old daughter, who was so severely impaired by autism that she could not speak a full sentence or describe anything that had happened to her. We affirm the judgment of the district court.
