

## **SUMMARY STATEMENT**

*Holden v. Weece*

Docket No. 44944

The Idaho Supreme Court affirmed an order of partial decree from the Snake River Basin Adjudication (“SRBA”) granting a water right to Jackie and Teresa Weece (“the Weeces”) from Rickey and Kimberly Holden’s (“the Holdens”) property. The Holdens appealed claiming the district court erred in adopting the water right’s priority date, recommended by a special master’s Report and Recommendation, because it was clearly erroneous. The Court unanimously affirmed the order of the district court because it held the Holdens waived any claim that the priority date was clearly erroneous by failing to object to the special master’s Report and Recommendation pursuant to SRBA Administrative Order 1.
