

SUMMARY STATEMENT

State v. Rios-Lopez et al.

Docket No. 45125

In this consolidated appeal from the Ada and Blaine County district courts, the Idaho Supreme Court affirmed the district courts' orders denying Marco Antonio Rios-Lopez and Corey Dale Young (collectively, Appellants) additional credit for time served under Idaho Code section 18-309. The Court rejected Appellants' contention that they were entitled to additional credit for time served under the construction of section 18-309 pronounced in *State v. Owens*, 158 Idaho 1, 343 P.3d 30 (2015). The Court emphasized that *Owens* was clear that its construction of section 18-309 did not apply retroactively. Because Appellants' judgments of conviction were final before *Owens* was decided, the Court affirmed that Appellants were not entitled to relief under *Owens*.
