 JANE DOE (2017-35))
)
 Juvenile-Appellant.)
 _____)

Appeal from the District Court of the First Judicial District, State of Idaho, Kootenai County. Hon. Jay P. Gaskill, District Judge.

Anne Taylor, Kootenai County Public Defender, Coeur d'Alene, attorney for appellant.

Hon. Lawrence G. Wasden, Idaho Attorney General, Boise, attorney for respondent.

Jane Doe appeals a district court's decision that affirmed a juvenile court's denial of Doe's motion to modify her sentence. Doe argues that the district court erred in finding a juvenile disposition could not be reconsidered under Idaho Juvenile Rule 21 and Idaho Criminal Rule 47. Doe also argues the district court erred in affirming the juvenile court's decision concerning her credit for time served. In response the State argues that Doe's appeal is moot because she has already finished serving her sentence and been released from custody.
