

SUMMARY STATEMENT

Gomez v. Crookham

Docket No. 45542

The Supreme Court affirmed the judgment of the Canyon County district court to grant summary judgment for Crookham Company (Crookham) on all claims relating to the death of Mrs. Francisca Gomez. The Court held that Mrs. Gomez was working in the scope of her employment at the time of the accident, that all of the Gomezes' claims are barred by the exclusive remedy rule of Idaho worker's compensation law, that the exception to the exclusive remedy rule provided by Idaho Code section 72-209(3) does not apply, and that the Gomezes' product liability claims fail as a matter of law because Crookham is not a "manufacturer."
