

SUMMARY STATEMENT

State v. Hall, Docket No. 48860

The Idaho Supreme Court affirmed a district court's order modifying a no contact order that prevented Melanie Hall from contacting her ex-husband and their two minor children. On appeal, Hall argued the district court lacked subject matter jurisdiction to modify the no contact order because it had expired by the time the district court entered its order. The Idaho Supreme Court held the district court had the authority to amend the no contact order because the State's motion to extend the expiration date was timely filed.
