and BRAILSFORD, Judge

---

PER CURIAM

Cody Theron Wentworth pled guilty to aggravated battery. I.C. §§ 18-903(a) and 18-905(b). In exchange for his guilty plea, additional charges were dismissed. The district court sentenced Wentworth to a unified term of fifteen years, with a minimum period of confinement of four years, to be served concurrently with an unrelated sentence. Wentworth appeals, arguing that his sentence is excessive.

Sentencing is a matter for the trial court's discretion. Both our standard of review and the factors to be considered in evaluating the reasonableness of the sentence are well established and

need not be repeated here. *See State v. Hernandez*, 121 Idaho 114, 117-18, 822 P.2d 1011, 1014-15 (Ct. App. 1991); *State v. Lopez*, 106 Idaho 447, 449-51, 680 P.2d 869, 871-73 (Ct. App. 1984); *State v. Toohill*, 103 Idaho 565, 568, 650 P.2d 707, 710 (Ct. App. 1982). When reviewing the length of a sentence, we consider the defendant's entire sentence. *State v. Oliver*, 144 Idaho 722, 726, 170 P.3d 387, 391 (2007). Our role is limited to determining whether reasonable minds could reach the same conclusion as the district court. *State v. Biggs*, 168 Idaho 112, 116, 480 P.3d 150, 154 (Ct. App. 2020). Applying these standards, and having reviewed the record in this case, we cannot say that the district court abused its discretion.

Therefore, Wentworth's judgment of conviction and sentence are affirmed.
