Appeal from the District Court of the Seventh Judicial District, State of Idaho, Fremont County. Hon. Stevan H. Thompson, District Judge; Hon. Mark A. Beebe, Magistrate.

Dunn Law Offices, PLLC; Robin D. Dunn, Rigby, for appellant.

Beard St. Clair Gaffeny, PA; Kristopher D. Meek, Idaho Falls, for respondent.

Raymond Henry Voss, III, appeals the district court’s decision on intermediate appeal affirming the magistrate court’s order awarding spousal maintenance and child support to his ex-wife, Janilyn. Specifically, Raymond argues the district court erred by affirming the magistrate court’s finding that he is voluntarily underemployed and awarding support based on his potential income and earning capacity. He contends substantial and competent evidence does not support the magistrate court’s finding that he is voluntarily underemployed.
