Erick Virgil Hall was convicted of first-degree murder, first-degree kidnapping, and rape. He was sentenced to death for murder and to consecutive, fixed life terms for first-degree kidnapping and rape on January 18, 2005. At sentencing, the jury found the existence of four statutory aggravators. Hall petitioned for post-conviction relief, alleging numerous errors at trial. Hall's petition for post-conviction relief was summarily dismissed on April 22, 2013. Hall appeals. His direct and post-conviction appeals are consolidated pursuant to Idaho Code section 19-2719(6).
