

I.R.C.P. 8. General Rules of Pleadings

Idaho Rules of Civil Procedure Rule 8. General Rules of Pleading.

(a) Claim for Relief. A pleading that states a claim for relief must contain:

- (1) a short and plain statement of the grounds for the court's jurisdiction, unless the court already has jurisdiction and the claim needs no new jurisdictional support;
- (2) a short and plain statement of the claim showing that the pleader is entitled to relief; and
- (3) a demand for the relief sought, which may include relief in the alternative or different types of relief.

(b) Defenses; Admissions and Denials.

(1) *In General.* In responding to a pleading, a party must:

- (A) state in short and plain terms its defenses to each claim asserted against it; and
- (B) admit or deny the allegations asserted against it by an opposing party.

(2) *Denials; Responding to the Substance.* A denial must fairly respond to the substance of the allegation.

(3) *General and Specific Denials.* A party that intends in good faith to deny all the allegations of a pleading, including the jurisdictional grounds, may do so by a general denial. A party that does not intend to deny all the allegations must either specifically deny designated allegations or generally deny all except those specifically admitted.

(4) *Denying Part of an Allegation.* A party that intends in good faith to deny only part of an allegation must admit the part that is true and deny the rest.

(5) *Lacking Knowledge or Information.* A party that lacks knowledge or information sufficient to form a belief about the truth of an allegation must so state, and the statement has the effect of a denial.

(6) *Effect of Failing to Deny.* An allegation, other than one relating to the amount of damages, is admitted if a responsive pleading is required and the allegation is not denied. If a responsive pleading is not required, an allegation is considered denied or avoided.

(c) Affirmative Defenses.

(1) *In General.* In responding to a pleading, a party must affirmatively state any avoidance or affirmative defense, including:

(A) accord and satisfaction;

(B) arbitration and award;

(C) assumption of risk;

(D) contributory or comparative responsibility;

(E) duress;

(F) estoppel;

(G) failure of consideration;

(H) fraud;

(I) illegality;

(J) injury by fellow servant;

(K) laches;

(L) license;

(M) payment;

(N) release;

(O) res judicata;

(P) statute of frauds;

(Q) statute of limitations;

(R) waiver; and

(S) discharge in bankruptcy.

(2) *Mistaken Designation*. If a party mistakenly designates a defense as a counterclaim, or a counterclaim as a defense, the court must, if justice requires, treat the pleading as though it were correctly designated, and may impose terms for doing so.

(d) Pleadings to be Concise and Direct; Alternative Statements; Inconsistency.

(1) *In General* Each allegation must be simple, concise, and direct. No technical form is required.

(2) *Alternative Statements of a Claim or Defense*. A party may set out 2 or more statements of a claim or defense alternatively or hypothetically, either in a single count or defense or in separate ones. If a party makes alternative statements, the pleading is sufficient if any one of them is sufficient.

(3) *Inconsistent Claims or Defenses*. A party may state as many separate claims or defenses as it has, regardless of consistency.

(e) Construing Pleadings. Pleadings must be construed so as to do justice.

([Adopted March 1, 2016, effective July 1, 2016](#) [1].)
