I.R.E.F.S. 7. Sealed and Confidential Documents

Idaho Rules for Electronic Filing and Service

Rule 7: Sealed and Confidential Documents

If a filer identifies a document as "confidential," in the "Comments to Court", the court will verify that designation and after review may modify the designation of any document incorrectly identified as "confidential." Once the designation as "confidential" is confirmed, the document will not be accessible to the public, but will be accessible to court staff and, where applicable, to certain governmental entities as authorized by law, court rule, or court order.
