

RFP

Active Opportunities

Although the Idaho Supreme Court is exempt from the State of Idaho's statutory purchasing process, its Administrative Office of the Courts regularly reviews the open market for goods and services to ensure value for Idaho taxpayers. From time to time, Idaho's Judicial Branch may also issue formal Requests for Information (RFI), Requests for Proposal (RFP), or Invitations for Bid (IFB) to identify interested vendors, potential solutions, and competitive purchasing opportunities.

Requests for Information
