

## **I.C.R. 2.2. Electronic Signatures**

### **Idaho Criminal Rule 2.2. Electronic Signatures**

An electronic signature may be used on any document that is required or permitted under these rules and that is transmitted electronically, including a search or arrest warrant, a written certification or declaration under penalty of perjury, or an affidavit. A notary's seal may be in electronic form.

(Adopted February 22, 2017, effective July 1, 2017.)
