(b) Suspension by Court. After being presented with a sworn statement of an officer under this rule, if the person who refused evidentiary testing does not request a hearing within 7 days from the date of the refusal, as allowed by Section 18-8002, Idaho Code, the judge shall enter an order suspending the driver's license of the defendant for one year for a first refusal and two years for a second refusal within ten years pursuant to Section 18-8002, Idaho Code, without further notice to the party. The order suspending driving privileges and driver's license shall be effective upon execution and shall apply to all driving privileges of the person, including those granted by any temporary license or permit issued by a police officer. The duty of the judge to enter such an order is a ministerial duty in which the judge has no discretion as to whether the order is to be entered.

(c) Show Cause Hearing. If a show cause hearing is timely requested by the defendant, the court shall set a hearing within the time provided by law. The hearing shall be limited to those issues provided by Section 18-8002(4)(b), Idaho Code. If the court enters an order of suspension, a copy shall be transmitted to the Department of Transportation and a copy served upon the defendant by personal delivery or mailing to the address indicated on the driver's license or other address furnished by the defendant. If the court makes the determination that there is not grounds for suspension of driving privileges and driver's license under this rule, it shall enter an order to that effect.

(d) Form of Suspension Order. An order suspending driving privileges under Section 18-8002, Idaho Code shall be in substantially the following form:
