Appeal from the District Court of the Second Judicial District of the State of Idaho,
Nez Perce. Jay P. Gaskill, District Judge.

Erik Lehtinen, State Appellate Public Defender, Boise, attorneys for Appellant.

Raúl R. Labrador, Idaho Attorney General, Boise, attorneys for Respondent.

Clyde K. Ewing appeals from his judgment of conviction for murder in the first degree, committed during the perpetration or attempted perpetration of a robbery and/or burglary. Clyde argues the district court: (1) erred in denying his motions to dismiss based on a violation of his statutory right to a speedy trial; (2) violated his rights under the Confrontation Clause of the Sixth Amendment by permitting the State to introduce a video recording at trial of a police interview of a witness who died prior to trial; (3) abused its discretion in admitting as substantive evidence a compilation video prepared by a police officer, with symbols and notations added by the officer; and (4) those errors, taken together, deprived him of a fair trial.
