Payment Processing Fees Increase for Electronic Court Filing

Convenience fees charged by the vendor that handles documents filed over the internet in Idaho state courts will rise slightly starting on July 15, 2021.

Convenience fees for filers using a credit or debit card will increase from 3% to 3.5%, with a minimum fee of \$1 per transaction. This fee will be applied for anyone making a payment with a card through the electronic filing system, whether they are an attorney or representing themselves.
