iCourt Portal Outage Planned This Weekend

The iCourt Portal at mycourts.idaho.gov will be unavailable this weekend due to server maintenance.

This work will begin at 7 p.m. MT Friday, April 1, and may last through the full weekend.

The work is being performed outside of normal court hours to avoid broader disruption to court access and services. We thank court users for their patience during this planned outage.

For updates on the status of these tools, please check the [Idaho Supreme Court's Twitter account](#) or visit isc.idaho.gov/press-releases.
