Court Extends Filing Deadline Ahead of Tuesday Outage

The Idaho Supreme Court has extended certain statewide filing deadlines for court documents ahead of a planned outage of Idaho's electronic court filing system.

The system, Odyssey File & Serve, will be down periodically for planned maintenance on Tuesday evening, June 7. This will affect any users who need to file court documents in that time, including parties who are representing themselves.

Any documents that were due to be electronically filed in an Idaho state court on Tuesday will be deemed timely if filed on or before 5 p.m. Wednesday, June 8.

Filers meeting the order's timeline have no need to submit individual requests for relief, the order states.

The order can be found [at this link](#).
