Understanding the
Culture

The popularity of EDM festivals has significantly increased in recent years. These events can be held indoor or outdoor. They can be raves, festivals, concerts, DJ based events, parties, or camp-out type concerts. Some of these events are held in large cities or more rural areas to include bars, event centers or open fields ranging a few hundred up to 150,000 attendees. It can be overwhelming to community resources.

UNDERSTANDING:
Ecstasy, Stimulants,
Hallucinogens, Over the
Counter Drugs, Herbal
Drugs, Marijuana
Concentrates, E-Devices for
Drug Use, Inhalants, and
Much More

Identification of Clothing,
Drug Paraphernalia, Drug
Logos, Drug Terms,
