

## **SUMMARY STATEMENT**

*Icanovic v State*, Docket No. 38477

In a case arising out of Ada County, the Idaho Supreme Court affirmed the dismissal of Hassan Icanovic's petition for post-conviction relief. Icanovic pled guilty to a felony and subsequently faced deportation. At issue in the post-conviction proceeding was whether Icanovic's attorney rendered ineffective assistance of counsel by failing to fully inform Icanovic of the immigration consequences should he plead guilty. The Idaho Supreme Court held that Icanovic had not shown that he was prejudiced by the advice that was actually given to him, and therefore that he could not show ineffective assistance of counsel.
